OK, you two- I might get to see you both soon, but not (necessarily) together.

I'm going to DC April 18th for a seminar at State Dep't, and then to the islands April 26th for a week. Not sure where yet, but I need to be in Honolulu for May 2nd, and then fly out on the morning of May 3rd.

Any chance to overlap?

Cheers,
Alan

I know Dennis is sometimes difficult to track down.

But I'm going to back to Hawaii at the end of April myself, so maybe we'll be able to get together then.

Cheers,
Alan

Hey Alan,

Do you have a current e-mail for Dennis? I can query someone from our meeting in Tx A&M but am guessing you may have it handy.

Thanks

Chris
